## **Zhara Mahlstedt**

Early in the summer of 1998 a lovely young lady entered the library and asked the librarian if she could help out two hours a week during the summer. It seems her mother used to bring Zhara and her brother to the library when she worked here as a volunteer. This young lady was not fulfilling the requirements of assigned community service, but following the custom of her mother; she simply wanted "to help out." Help out she did! For the remainder of the summer, once a week, her cheerful smile was present behind the circulation desk. She learned fast, seldom made an error, was polite, cheerful and reliable. When she left the library to return to school at the end of the summer, the library was never quite the same.

Zhara Mahlstedt was born and raised in Chichester, and attended Cornerstone Christian Academy in Epsom. After graduating from Pembroke Academy, she enrolled in Bowdoin College in Maine.

Last summer she took a position as a cab driver at Martha's Vineyard. On the eleventh of July, 2000 this courageous twenty-year-old young lady, at the risk of her own life saved the life of a twelve-year-old boy. As another cab was rushing toward her she used the precious moment of time that would have allowed her to jump clear to push the young boy out of danger and as a result she was crushed between the two vehicles. She suffered serious, life threatening, and very likely, permanent injuries as a result.

She has been recognized by Governor Cellucci of Massachusetts and is the recipient of a resolution passed by the New Hampshire Senate. Mary Brown will present the New Hampshire Senate Resolution at Town Meeting.

Zhara standing next to Jacob Patches, the young man she rescued

NEW HAMPSHIRE STATE SENATE  
CONCORD, NEW HAMPSHIRE

*A RESOLUTION HONORING*

*Zhara Mahlstedt*

*WHEREAS*, a Resolution is the means by which the State Senate may honor the meritorious conduct or outstanding achievement of a New Hampshire citizen; and

*WHEREAS*, on July 11<sup>th</sup> of the year 2000, Zhara Mahlstedt acted heroically by saving a child from being pinned between two moving vehicles at the Martha's Vineyard Airport; and

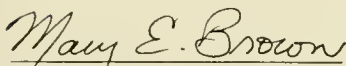

*WHEREAS*, Zhara risked her life and sustained serious injury as she pushed the child to safety; and

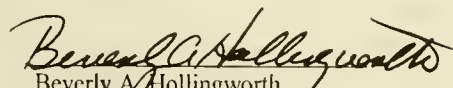

*WHEREAS*, Zhara is currently recovering from her injuries amidst a community of friends and relatives who take great pride in her unhesitating self-sacrifice and bravery; and

*WHEREAS*, Zhara's activities and actions show that she is a person of rare generosity of spirit who displays great care for those around her;

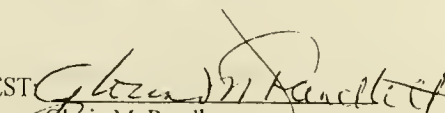

*Now therefore, pursuant to a motion of Senator Mary Brown:*

*BE IT RESOLVED*, by the New Hampshire Senate that this legislative body hereby congratulates and honors Zhara Mahlstedt, and further that the Senate extends its best wishes for her recovery and for her future success and happiness.

  
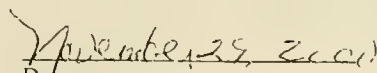

Mary E. Brown

## GENERAL INFORMATION

Inventories are required in Chichester and are due April 15.

Tax bills are due semi-annually.

The last day to appeal your property tax is March 1 following the end of the tax year of appeal.

Exemptions allowed in Chichester are the Elderly, Veteran, Handicap, Blind, Disability, and Solar.

### SELECTMEN'S COMMENTS

Many of you have already noticed the renovations to the tax collector's and selectmen's office. the new offices are much more secure and seem to be warmer. The lighting is much improved as well.

The Coast Guard symbol has been etched into the monument along with the other service symbols. Thanks to the grange's hard work there's been a sillcock installed so the flowers and shrubs can be watered in a timely manner.

Thanks for much hard work and good organization of volunteers by Brad Harris the community room over the historical society has been renovated. The renovations have been greatly appreciated by the people who have used the room

Chichester has a new and very active recreation committee. they have been meeting often and doing some great work. the members are identified elsewhere in the Town Report.

The rail fence east of the Town Hall has been painted by selectman Bailey.

the new voting booths seem to work well as well as being more attractive.

2000 was a busy year for the selectmen as things seem to become more and more complicated and time consuming.

Jeffrey Jordan  
Frederick Fenton  
Theodore Bailey

From left to right: Alan Shaw, Fred Shaw and chairman, Jeffrey Jordan

The Town of Chichester purchased thirty-one acres of land on Main Street from Alan and Fred Shaw. Fred Shaw accepted a check for \$150,000 from Jeffrey Jordan, chairman of the Board of Selectmen, for the parcel of land. The parcel is identified as map 5, lot 17 on the Town tax maps and is under a current use/farmland assessment. The Conservation Commission may put a new drive-way into the property but, there are currently no plans for further development. Many thanks go to the Shaw brothers for the opportunity to purchase this parcel. It is a great asset to the Town.

## 2000 Town Meeting Minutes Chichester

The polls were declared open to vote at 10:00 AM on March 14, 2000.

Moderator, Douglas Hall, presided over the meeting. Prayer was offered by Pastor of the Congregational Church. The polls closed at 7: PM The meeting was continued to the deliberative session scheduled for Saturday March 18, 2000 at 10:00AM.

ARTICLE PASSED

14. To see if the Town will vote to open 460 feet of Lover's Lane from Short Falls Road

Amendment: To see if the Town will vote to open 460 feet of Lover's Lane from Short Falls Road at no expense to the Town

AMENDMENT PASSED

Amendment: To see if the Town will vote to open 460 of Lover's Lane from Short Falls Road at no expense to the Town. This road will not be accepted Until improvements are completed and approved by the Road Agent according To Class V standards.

AMENDMENT PASSED

AMENDED ARTICLE PASSED

15. To see if the Town will vote to authorize the Selectmen to apply for Community Development Block Grant (CDBG) funds under the authority OF RSA 4-C:14, such funds to be applied to the development of public facilities, economic development opportunities and such other endeavors authorized by the CDBG. This authority can be exercised by the Selectmen for future projects recommended by Town citizens and approved at Public Hearings.

ARTICLE PASSED

16. To see if the Town will vote to purchase the Haines Memorial Chapel, (Map 5 Lot 59) for the sum of \$99,900.00 (Ninety Nine Thousand Nine Hundred dollars) of lesser price to be negotiated, for use as a youth center, seniors center, and community assembly meeting place.

MOTION TO PASS OVER ARTICLE, INDEFINITELY

MOTION PASSED

17. To see if the Town will vote to raise and appropriate the sum not to exceed \$3,000.00 (Three Thousand dollars) for work at the fire-rescue building. Work to include additional attic ventilation, rear steps from training room, Kitchen cabinets and venting, to the extent that funding allows. The Selectmen shall be authorized to withdraw \$2,100 (Two Thousand one hundred Dollars) from the Fire Station Capital Reserve Fund and the remaining \$900.00 (Nine Hundred dollars) shall be raised by current year taxes.

ARTICLE PASSED

18. To see if the Town will vote to raise and appropriate a sum not to exceed \$3000.00 (Three Thousand dollars) for the purchase of rescue-extrication equipment, and to authorize the Selectmen to withdraw such funds from the Rescue Vehicle and Equipment Fund.

ARTICLE PASSED

19. To see if the Town will vote to raise and appropriate the sum not to exceed \$50,000 (Fifty Thousand dollars) for the purpose of leasing an ambulance and to authorize the Selectmen to enter into a four-year renewable contract with a non-funding escape clause for the lease of said vehicle. Funding to be raised in the following manner: \$50,000 (Fifty Thousand dollars) to be taken from the Rescue Vehicle and Equipment Special Revenue Fund. (Total ambulance cost will be approximately \$100,000 (One Hundred Thousand dollars). At the end of the lease, the Town will own the ambulance. The exact amount of future payments will be determined by the total cost divided by the length of the lease. It is intended that future years income into the Rescue Vehicle and Equipment Fund would be requested to make the lease Payments.

ARTICLE PASSED

20. To see if the Town will vote to raise and appropriate the sum not to exceed \$3,500 (Three Thousand five hundred dollars) for the purpose of modifications to the Fire Truck Body of Fire Department Engine 2, and to authorize the Selectmen to withdraw such funds from the Fire Truck Capital Reserve Fund.

ARTICLE PASSED

21. To transact any other business that may legally come before the meeting.

Meeting adjourned at 2:30PM

RESPECTFULLY SUBMITTED

  
EVELYN PIKE, TOWN CLERK

A TRUE ATTEST COPY

THE STATE OF NEW HAMPSHIRE  
THE POLLS WILL BE OPEN FROM 10:00 AM TO 7:00 PM

**TOWN OF CHICHESTER**

COUNTY OF MERRIMACK

**2001**

**WARRANT**

To the inhabitants of the Town of Chichester in the County of Merrimack in said State, qualified to vote in Town affairs:

**You are hereby notified to meet at the Grange Hall in said Chichester on Tuesday, the 13th day of March, 2001 next at 10 o'clock in the forenoon, to act upon the following subjects:**

- 1 . To choose all necessary Town Officers for the year ensuing. (Ballot)

**Article 2 through article 17 will be considered at the second session of the Annual Town Meeting on Saturday, March 17, 2001, beginning at 10 o'clock in the forenoon at the Grange Hall.**

- 2 . To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same. (Budget)
- 3 . To see if the Town will vote to raise and appropriate the sum of \$5,000.00 (Five thousand dollars) to purchase a photocopier and to authorize the Selectmen to withdraw \$5,000 (Five thousand dollars) from the Office Equipment Capital Reserve Fund for this purpose. Recommended by the selectmen. Recommended by the budget committee.
- 4 . To see if the Town will vote to raise and appropriate the sum of \$69,300.00 (Sixty-nine thousand three Hundred dollars) to reappraise the Town and to withdraw \$69,300.00 (sixty-nine thousand three hundred dollars) from the Town Reappraisal Capital Reserve Fund for this purpose. Not recommended by the selectmen. Not recommended by the budget committee.
- 5 . To see if the Town will vote to raise and appropriate \$2,500.00 (Two thousand five hundred dollars) for the purpose of roadside cleanup along Town roads, these funds to be paid to the eighth grade class of Chichester Central School for organizing and conducting the cleanup. By petition. Recommended by the Selectmen. Recommended by the budget committee.
- 6 . To see if the Town will vote to raise and appropriate \$115,500 ( One hundred fifteen thousand five hundred dollars ) to be added to the following capital reserve funds and to authorize the use/transfer of \$55,000 (Fifty-five thousand dollars ) of the December 31, 2000 unreserved-undesignated fund balance for this purpose and \$60,500 (Sixty thousand five hundred dollars) to be raised in taxes. (Majority vote required) Recommended by the selectmen. Recommended by the budget committee.

Town Reappraisal	\$	25,000
Police Cruiser		10,000
Office Equipment		15,000
Town Bridges		5,000
Town Roads		25,000
Fire Truck		7,500

Town Facilities	\$	5,000
Library		2,000
Rescue Truck		5,000
Fire Station		2,000
Septic Disposal		0
Conservation		0

Highway Heavy Equip.	10,000	Forestry Vehicle	2,000
Police Office Equip.	2,000		

7. To see if the Town will vote to establish a Cemetery Capital Reserve Fund and to raise and appropriate the sum of \$2,000.00 (Two thousand dollars) to be placed in said fund and to designate the Selectmen as agents of the Town for said Capital Reserve Fund. Recommended by the selectmen. Recommended by the budget committee.
8. Are you in favor of changing the term of the tax collector from one year to three years, beginning with the term of the tax collector to be elected at next year's regular Town Meeting? **Ballot vote required.** Recommended by the selectmen. Recommended by the budget committee.
9. Are you in favor of changing the term of the town clerk from one year to three years, beginning with the term of the town clerk to be elected at next year's regular Town Meeting? **Ballot vote required.** Recommended by the selectmen. Recommended by the budget committee.
10. To see if the Town would support legislation to allow video gambling, for the purpose of raising revenue to meet the state's obligation to fund education under the New Hampshire Supreme Court's Claremont Decision, at the Mount Washington Hotel in Bretton Woods, the Balsams Hotel in Dixville Notch, Rockingham Park in Salem, Hinsdale Greyhound Park in Hinsdale, Lakes Region Greyhound Park in Belmont and Seabrook Greyhound Park in Seabrook.
11. To see if the Town will vote to establish a Parks and Recreation Capital Reserve Fund and to raise and appropriate \$35,950.00 (Thirty-five thousand nine hundred fifty dollars) to be placed in said fund and to authorize the use/transfer of the December 31, 2000 unreserved-undesignated fund balance for this purpose. This amount reflects a portion of monies deposited in the General Fund from fees from the Marden Farm Development as agreed to at a public hearing on July 7, 1988, and from monies donated to the Town by the Malachy Glen development for recreational use within the community. The Board of Selectmen to be named as agents for the fund and will authorize the approval and allocation of said funds to deserving projects as recommended by the Parks and Recreation Committee. And to authorize the selectmen to disperse \$16,000 (Sixteen thousand dollars) from said fund to the school as their portion of the funds received from the Marden Farm Development. Recommended by the selectmen. Recommended by the budget committee.
12. To see if the Town will vote to raise and appropriate the sum not to exceed \$5,000.00 (five thousand dollars) and to withdraw the sum from the Parks and Recreation Capital Reserve Fund to carry out certain improvements to Carpenter Park. These improvements will include the completion of two baseball field dugouts, minor site improvement work adjacent to the parking lot to include some tree removal (approved by the Conservation Commission), installation of a playground set purchased by the Chichester Athletic Committee, conducting a plan and contour survey for future planning purposes, and installing a new Carpenter Memorial Park sign. Recommended by the selectmen. Recommended by the budget committee.
13. Shall we modify the exemption for the totally and permanently disabled. The exemption, based on assessed value, for qualified taxpayers shall be \$55,000. To qualify, the person must have been a New Hampshire resident for at least 5 years and own and occupy the real estate individually or jointly, or if the real estate is owned by a spouse they must have been married for at least five years. In addition, the taxpayer must have a net income of not more than \$15,000 or if married, a combined net income of not more than \$25,000; and own net assets not in excess of \$100,000 excluding the value of the person's residence. Recommended by the selectmen. Recommended by the budget committee. **Ballot vote required**
14. To see if the Town will vote to raise and appropriate the sum of \$60,000 (Sixty thousand dollars) to finish the highway garage. \$19,000 (Nineteen thousand dollars) to be taken from the Town Facilities Capital Reserve for this purpose and \$41,000 (Forty-one thousand

dollars) to be raised in taxes. Not recommended by the selectmen. Not recommended by the budget committee.

15. To see if the Town will vote to raise and appropriate the sum of \$15,000 (Fifteen thousand dollars) to purchase a chipper for the highway department. \$15,000 (Fifteen thousand dollars) to be taken from the Highway Heavy Equipment Capital Reserve Fund for this purpose. Recommended by the selectmen. Not recommended by the budget committee.
16. To see if the Town will vote to raise and appropriate the sum not to exceed \$20,000 (Twenty thousand dollars) to erect a 26'x24' two bay garage for the Police Department. This money to include building and ground work. Not recommended by the selectmen. Not recommended by the budget committee.
17. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 20th day of February, In the year of our Lord Two thousand one.

## PLODZIK & SANDERSON

*Professional Association/Accountants & Auditors*

193 North Main Street • Concord • New Hampshire • 03301-5063 • 603-225-6996 • FAX-224-1380

### *INDEPENDENT AUDITOR'S REPORT*

To the Members of the  
Board of Selectmen  
Town of Chichester  
Chichester, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Chichester as of and for the year ended December 31, 2000 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Chichester has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Chichester as of December 31, 2000, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Chichester taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Chichester. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

**CHICHESTER PARKS AND RECREATION COMMITTEE**  
**TOWN REPORT FOR YEAR 2000**

In March of 1990 the Chichester Board of Selectmen, following the recommendation of the Conservation Commission and the Recreational Study Task Group, appointed a five member committee of Chichester citizens to make up the Town's Parks and Recreation Committee under authority of RSA 35-B:4. This Committee was charged with the management and supervision of Carpenter Memorial Park as well as "supporting the Selectmen with recommendation as to the future recreational facilities within the Town".

The original committee served admirably and for a number of years the five members continued to supervise and manage the recreational facilities at Carpenter Park with regard to maintenance , safety and scheduling. However, committee participation and involvement diminished over the last several years for many different reasons leaving essentially one person to carry the responsibility of managing the Town's recreational facilities. This person, Scott Tepper is certainly owed a great deal of appreciation and gratitude by the townspeople for continuing to fulfill the duties required of the Parks and Recreation Committee essentially on his own.

Understandably though, but well deserving, Scott decided at the end of last year to "pass-the-torch" and turn the responsibilities of the Parks and Recreation Committee over to new people. The Selectmen have subsequently appointed five new members to the Parks and Recreation Committee. Gratefully so, Pam Tepper will continue to assist the new Committee in scheduling of the fields for the upcoming 2001 baseball/softball season.

The newly appointed members of the Parks and Recreation Committee are anxious to continue the excellent work that the original committee began in 1990, and which Scott has carried out and accomplished in managing and maintaining Carpenter Park over the last several years.. And we are all very interested in working with the Conservation Commission, local sports associations, Old Home Day Committee, local organizations, and interested citizens in carrying forth on some previously proposed improvements to the Park which will **better serve and promote the use of the Park for all townspeople.**

The Committee shares a common interest and vision that Carpenter Park should be a place where townspeople of all ages can go to enjoy a multiple of outdoor activities. This would include not only organized baseball, softball and soccer games, but social events with families and friends (picnics, cookouts, reunions, etc. ), organizations holding outdoor meetings and events (Boy Scouts, Girl Scouts, Grange-Old Home Day, Historical Society, etc.), school outings and class trips, and individual visits to the Park.. We feel that Carpenter Park has the potential to be improved upon over time so that it can serve the community as a multi-purpose park for all the townspeople of Chichester to use and enjoy!

The Parks and Recreation Committee respectfully asks for your support of two warrant articles that the committee have put forth to the townspeople this year. The first warrant simply creates a Capital Reserve Fund to ensure that there will be funds available for future improvements to existing facilities, such as Carpenter Park, or for the development of new parks and/or recreational facilities within the town as approved by the townspeople. The monies to be deposited in the Parks and Recreation Capital Reserve Fund this year, 2001, are monies already available within the Town accounts that have been previously given to the Town for recreational use. The source of these monies are from the housing developments at Marden Farms and the new Malackey Glen development on Horse Corner Road. The funding of the newly proposed Parks and Recreation Capital Reserve Fund will not require any new tax burden on the Townspeople of Chichester.

The second warrant article is a request, should the Parks and Recreation Capital Reserve Fund article pass, to spend a limited amount of money from the Fund in the coming year to initiate some improvements at Carpenter Park.

The Committee will be scheduling public meetings in the coming year to seek input from the townspeople of Chichester as to their interest in future planning for our Town's parks and recreational facilities. Please join us!!

# TOWN OF CHICHESTER

Highway Department  
603-798-4964

Salt shed completed in 2000

Bill Stevens terminated his employment as road agent. Thank you, Bill, for seven years of dedicated service to the Town. We will continue to enjoy your services as a subcontractor. Good luck in your endeavors. A J May has been appointed as Road Agent.

In the year 2000, the highway department completed paving projects on Bear Hill Road, Ricker Road, and the hill on Ring Road at the corner of Kaime Road. Most dirt roads in Town were graveled and ditched.

The Concord end of Horse Corner Road and King Road are planned to be paved in 2001. Both of these roads are in need of attention. More gravel will be applied to dirt roads, roadside brush cutting will be scheduled and our regular maintenance will continue.

If there are any questions or problems, feel free to contact the road agent at the number above.

Respectfully submitted,

A J May

Planning Board members: Seated, Skip Lawrence, Ex-officio Jeffrey Jordan, chairman Tracey Scott, Joanna McIntosh. Standing: secretary, Andrea Deachman, Richard Debold, Ron Lesieur

Police Chief, Ann Emerson

# CHICHESTER FIRE-RESCUE

*Volunteers in Service to Our Community*

"It ain't like it used to be!" The old cliché is appropriate for the Chichester Fire-Rescue service today compared to yesterday's. The future of the Chichester Fire-Rescue is being, and will continue to be, driven by changes in society. These changes include new expectations by the citizens served by the fire service- such as greater accountability for the use of public resources and improving efficiency of programs and services. But what about tomorrow – what will the Chichester Fire-Rescue of the 21<sup>st</sup> century be like?

To help answer this question, we must understand the Mission of the Chichester Fire-Rescue is ever changing. We used to believe the role of the fire department was to put out fires. Over time we have seen our role grow to include Emergency Medical Services, rescue, Haz-Mat, and others. We will soon be adding high angle rescue equipment and training to this list. But our real mission is providing service to our community's citizens in their time of need. Chief Alan Brunacini of the Phoenix, AZ. Fire Department once said we (the fire service) should change our name to the "Help Department". When people need help, whom do they call? They call the fire department and know we will come to their assistance. What might seem a small or minor emergency to us can be a major event to the general public. We understand this concept and must continue to be responsive in our role of service to our community.

The Chichester Fire-Rescue has also been a leader in changing the fire service in the Capital Area. We have been instrumental in the development and implementation of several programs directed toward firefighter safety. The latest program is a fireground accountability system that was developed by the Chichester Fire-Rescue and now has been adopted by our entire Mutual Aid system. The goal of this program is to improve firefighter safety by maintaining an accountability and location of every member operating at the fire scene, or any other dangerous incident. This will help keep our firefighters safe and we believe prevent the loss of firefighter's lives.

The delivery of a new ambulance for the Chichester Fire-Rescue this year was an exciting change. The ambulance was designed from the ground up with patient care and safety as a priority. We are very pleased with the new unit and want to thank the Town for allowing us to purchase it last year. We expect many years of service from this ambulance.

We recently have gone through a major change as Paul Sanborn stepped down as chief of the department. This has had a major impact on the department as well as me personally. Paul set many goals and accomplished much, including personnel development, the upgrading of our rolling stock, and oversaw the building of a new fire station. I personally want to thank Paul for his accomplishments and leadership over the past 6 years as chief. The Chichester Fire-Rescue would not be where it is today without his leadership and vision.

A future change the Town must begin thinking about is the declining number of "volunteers" and the increasing demand for service from our community. Though our membership numbers stay rather stable, our call volume continues to increase, placing a greater load on the members of the department. We are thankful for the townspeople who have become involved in the fire – rescue service in the Town of Chichester, but there may come a time when paid department members are necessary to augment the volunteer emergency service. There is much that must be considered in making this decision and a decision to hire full-time personnel should not be made lightly. However, with the current population growth and service demands that growth creates, our town may soon need to consider having paid personnel to meet the service demands of our citizens.

Change will come to the Chichester Fire-Rescue as surely as the sun will rise and set. The question we need to ask ourselves is whether we will embrace the changes and grow and thrive in this new age of fire rescue service or if we will fight these changes and drag the department back into the past. The past can be important for us to remember and we must learn everything we can from the past, but change is inevitable. This task will not be impossible. If we all join together as a team, we will meet change head on and will grow by leaps and bounds. Peter Senge, author of *The Fifth Discipline* says, "A group of people truly committed to a common vision is an awesome force. They can accomplish the seemingly impossible."

What will the Chichester Fire-Rescue of the 21<sup>st</sup> century be like? The answer to that question is: ***It will be a Chichester Fire-Rescue filled with opportunities and challenges.*** As the Chief of the Department I want to invite you to join the Chichester Fire-Rescue and me in this journey toward the future.

Respectfully submitted, John D. Prickett, Chief of the Department

# Chichester Fire Department Year 2000 Incident Summary

Total Calls 343

## TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the fire towers being first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. Forest Rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at [www.dred.state.nh.us](http://www.dred.state.nh.us).

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection system and reports from citizens aid in the quick response from local fire departments. These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Due to permitting and fire safety concerns, please contact your local fire department BEFORE using portable outdoor fire places and vessels, including those constructed of clay, concrete or wire mesh.

Please contact your local fire department before doing ANY outside burning.

### REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

#### 2000 FIRE STATISTICS

## **TOWN OF CHICHESTER**

### **BUILDING INSPECTOR**

**Tel. No. 798-4350**

### **Annual Report Of Building Official**

The 2000 Permit activity showed a decline over the 1999 level from forty-three (43) to thirty-one (31) Single Family Permits. Following is a four (4) year comparison.

22 in 1997	15 in 1998	45 in 1999	31 in 2000
------------	------------	------------	------------

As in 1999 there were a grand total of 77 varied Building Permits issued. The breakdown is as follows:

31	Single Family Dwellings	14	Dwelling Additions
5	Dwelling Renovations	17	Garages, Barns, Sheds
1	Commercial Building	0	Commercial Additions
0	Mobile Homes	9	Other (Pools, Siding, Fencing)

There were other inspections done which were not related to permits issued for this year or other previously issued permits.

Building Permit Forms are available in the lobby of the Town Offices or by contacting the Building Inspector. Acquiring a blank Building Permit Form prior

## **Annual Report Of Building Official – Continued**

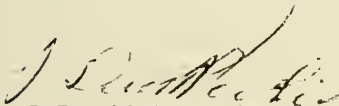

To contacting the Building Inspector assures that you will come ready with the required information. A building Permit cannot be issued for a new family home or new commercial construction without an approved waste disposal “septic” system from the State of New Hampshire Water Supply and Pollution Control Division and a driveway design approval from the Town Road Agent.

The Town’s current Building Codes are the current BOCA Building and Fire Prevention codes, the 1988 Life Safety Code (a copy is available for review at the Town Library). State law also requires that all new structures as well as structures which are being improved to more than 50% of their assessed value be in compliance with the NH State Energy code. The addition of bed or bathrooms may also require your septic system to be reviewed.

The Building Inspector is available almost any time; if you have any questions regarding work being done or you need an inspection do not hesitate to call. If hiring contractors you should not hesitate to check their credentials or references.

There is currently an Impact Fee required in some categories. A copy of the Impact Fee Schedule is available at the Town Office or may be requested from the Building Inspector by calling (603) 798-4350.

Respectfully submitted,

J. David Paveglia

Chichester Town Library  
Annual Report  
2000

Although the Chichester Town Library experienced some Y2K computer problems this year, some of which did not show up until March, most of the problems have been resolved and the computers are now running smoothly.

Chichester's population is now around 2500. In the last six years over 2,200 library cards were issued. However, only 500 to 600 are active at any one time. Yet every person who owns real estate, as well as every tenant indirectly through rent, contributes tax money to support the library.

Those who do not use the library, yet must support it through their taxes, are one of the concerns of the library trustees. In early 2001, the trustees will be conducting a survey of Chichester residents. We would like to reach all taxpayers, those using the library as well as those who do not. In order to keep the costs down, the survey forms will be available at the library. If you do not use the library, please stop by anyway to pick up a survey, or call the library and we will mail a survey to you. Survey forms will also be sent home with the Chichester Central School students.

The trustees are not interested in a larger facility, nor is the survey a plea for additional funding. The survey's sole purpose is to assist us with the library's primary goal: to provide the residents of Chichester with the best possible library at the lowest possible cost to its taxpayers. Using the data from the surveys, the library trustees will plan its long-range (ten year) goals for the library. It will attempt to address questions such as how much library is enough; why are only one-fourth of Chichester's residents using the library; and what hours and services best serve our patrons.

The cost to operate the library at the present level of service is close to \$30,000 annually, and will likely reach \$40,000 by 2010. However, this cost is modest when compared to surrounding towns. This is partly due to our volunteers. It has been said before, and it bears repeating: The many volunteers who help out at the library have a direct impact on your tax bill. Without volunteers, we would have to increase

staffing, which would result in a salary line item in excess of \$30,000.

On behalf of the Chichester Town Library, thank you for your continued support of our library, through your taxes, volunteer services, and book and food sales' donations.

## ANNUAL REPORT OF THE TOWN OF CHICHESTER

The Concord Regional Visiting Nurse Association (CRVNA) continues to offer comprehensive health services to the residents of Chichester. The following is a description of these services:

Home Care services respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and para-professional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting. Patients who receive services range from children who have a complex medical condition to frail elders who require supportive assistance to stay in their own homes.

Hospice services provide professional and para-professional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping he/she remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical, emotional and spiritual needs.

CRVNA's Hospice House provides residential care to terminally ill patients who have no primary caregiver or need a supported residential setting. Often times patients are transferred into the Hospice House when a caregiver is exhausted and unable to care for them at home any longer. To date, this house has provided a home to approximately 500 terminally ill residents.

Community Health services include health education, health maintenance and preventive health services. The program includes preventive care, adult and senior health, child health, Baby's First Homecoming, immunizations for all ages, supportive services to school districts parent education and support, health education and nutritional counseling.

Community Health includes health promotion services which focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Emphasis is on promoting healthy children, families and individuals through early intervention and health teaching. Services rendered in the clinic setting are: child health, adult screening, and immunizations. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior health services are provided at congregate housing sites.

Over the past two years Senior Health Clinics have expanded to reach out to seniors who may required a monthly check by a nurse of their blood sugar, blood pressure, and/or diabetes management. The expansion of these services was in response to the decrease in Medicare services to seniors.

Professional and para-professional hourly home services are provided on a private fee-for-service basis. Health education and instruction are part of each home visit or clinic visit.

Anyone in Chichester may request service; patient, doctor, health facility, pastor, friend or neighbor. The nurse who completes an assessment will coordinate with the patient's physician a plan of care to meet the patient's specific needs. If the patient does not have a physician the nurse will assist the patient to identify one and schedule a visit. The agency has developed a program with the NH-Dartmouth Family Practice Residency Program to coordinate a house call visit by a resident to a frail elder's home who is unable to leave his/her home.

A call to Concord Regional Visiting Nurse Association (1-800-924-8620) is all that is necessary to start services or make inquiries. The CRVNA office is open Monday through Friday from 7:30am to 5:00pm. A nurse is on call twenty-four hours a day. The On-Call Nurse can be reached by calling 1-800-924-8620.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for the individual without health insurance and/or who is unable to pay the full charge. However, to fee scale, federal regulations require a financial statement be completed by the patient or responsible person. The community health services are provided to residents often times free of charge. Town monies subsidize those visits that are scaled or that no fee is collectible.

This agency is certified as a Medicare/Medicaid Provider, licensed by the State of New Hampshire, accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) with commendation and is a member agency of the United Way of Merrimack County.

**UNH Cooperative Extension**

As your local link to the University of New Hampshire, Cooperative Extension provides practical, research-based education to people of all ages, helping them make informed decisions that strengthen youth, families, and communities, sustain natural resources, forests, wildlife and agriculture, and improve the economy.

Merrimack County residents benefit from a wide range of Extension offerings, which include 4-H and youth development programs, monitoring water quality in our lakes and rivers, reducing the use of pesticides, parenting programs, land use management, food safety, forest stewardship, family finances, meeting the needs of low income families, strengthening our communities and developing a strong volunteer base while providing a wide range of information to citizens. This year, Extension expanded its public outreach with a toll-free Family, Home & Garden Info Line, staffed Monday through Friday, 9am to 2pm (1-877-398-4769).

Extension staff provides education to forest landowners, food producers and plant growers that helps keep their enterprises profitable, thus preserving their land as open space. Many studies show that open space helps keep property taxes low, as it places few demands on taxpayers for services.

A major statewide Extension initiative, Strengthening New Hampshire Communities has impacted Merrimack County. Extension staff have worked with the communities in a variety of ways. Several Merrimack County towns have participated in Extension's exciting *Community Profile* process. A Community Profile is a tool to help community members create a vision about what they want their community to be like, and then forms action groups to reach those goals. In addition Cooperative Extension provides publication notebooks for all town libraries. The Extension currently participates in a monthly radio program on WKXL providing information to the communities throughout the County. Extension information can also be obtained from the Web at [ceinfo.unh.edu](http://ceinfo.unh.edu). Follow-up support is available from UNH Cooperative Extension staff.

Other community efforts include after school programs, teen assessment projects, wellness teams, town office visits, the Master Gardener program, working with town officials to make sure local ordinances are "agriculture-friendly" and assisting schools with maintenance of athletic fields and landscaped areas.

The staff in Merrimack County includes nine Extension educators, two state specialists and three support staff. Educators reach approximately one of every four families in the county.

## BCEP SOLID WASTE DISTRICT

### A Message from the District Committee

The year 2000 saw a welcomed increase in prices received for recyclables. This increase enabled the District to realize \$97,510.15 in revenue from the sale of recyclables as well as a savings of \$56,418.29 in avoided tipping fees. These two items provided a total tax relief of \$153,928.44 to District taxpayers. In addition the District has used some of its excess capacity to bail materials for several smaller towns, for a fee.

The District has a web site up and running. The site contains basic information on operating hours, holidays closed, fees and general separation guidelines. The address is [www.bcepsolidwaste.com](http://www.bcepsolidwaste.com). Bookmark the site in your browser and you'll never have to wonder when we're open.

The District Committee would remind all residents that separation for recycling is mandatory. For those facility users that don't have time to properly separate, the District Committee has instructed the Administrator and staff at the facility to aggressively enforce separation of materials for recycling, or charge for the unseparated material at a rate of 6¢ per pound (\$120.00) per ton.

If you have comments or suggestions please pass them on to the staff at the facility. If you would like to attend a District meeting, the Committee meets the last Thursday of each month (except December), at 7:00 PM, at the Facility.

#### Waste Tonnage Shipped Comparison

	1999	2000
Garbage	2,468.5 tons	2,315.11 tons
Demolition	696.7 tons	853.67 tons
Tires	73.4 tons	73.77 tons

## **MINUTES OF THE CHICHESTER SCHOOL DISTRICT MEETING MARCH 11, 2000**

The annual meeting of the Chichester School District was called to order by Moderator Peter Marsh at 10:10 A.M. on March 11, 2000 at the Chichester Central School Multi-Purpose room. There were approximately 50 people in attendance at this meeting.

Introductions were made as follows:

School Board Members--

Robert Mann, Chairman

Paul Twomey

Mary Castelli

School Administrative Unit #53 Official:

David Dziura, Assistant Superintendent

Chichester Central School Principal:

Pamela Stiles

Chichester School District Clerk:

Gloria Nardini

Moderator Marsh asked that all stand for the Pledge of Allegiance. A moment of silence was also observed. Moderator Marsh read then went over the rules that would be in effect during the meeting. The meeting then began with S. MacCleery making a motion to bring Article 1 to the floor. H. MacCleery seconded the motion. The motion carried by a voice vote.

**Article 1:** TO HEAR THE REPORTS OF AGENTS, AUDITORS, COMMITTEES, OR OFFICERS CHOSEN, AND TO PASS ANY VOTE RELATING THERETO.

Moderator Marsh quickly explained this article. A motion made by L. Randall and seconded by T. Scott to accept the motion as written.

### **MOTION ADOPTED VOICE VOTE**

S. MacCleery made a motion to bring Article 2 to the floor and T. Scott seconded the motion. This motion was passed by a voice vote.

**Article 2:** TO DISCUSS THE CHICHESTER CENTRAL SCHOOL FOREIGN LANGUAGE PROGRAM AND THE MERITS OF EXPANDING THE CURRENT ONE-HALF SPANISH TEACHER POSITION TO A FULL-TIME POSITION ALLOWING SPANISH TO BE FORMALLY TAUGHT AT THE LOWER ELEMENTARY GRADE LEVELS.

P. Twomey discussed the School Board's position on this matter and that the School Board was hoping to get a sense of meeting from Chichester residents on this proposal. There were questions and comments about how this program would be implemented and what, if any, subject might have to be short-changed by the addition of foreign language education in the lower grades. A motion was proposed by R. Mann and seconded by H. MacCleery that the School Board examine the possibility of making Foreign Language instruction a full-time program and come back with this program at next year's meeting. Moderator Marsh put to a vote, if the meeting was requesting the Board to prepare properly for next year's School District Meeting a proposal to have Foreign Language instruction be a full-time program in the lower grades. This was put to a voice vote, which could not be sufficiently determined. The vote was then put to a show of hands.

MOTION FAILS 14 FOR 25 AGAINST BY SHOW OF HANDS

D. hall asked if this Article might be revisited. S. MacCleery made a motion to have this Article passed over and revisited. B. Sweet seconded this motion.

ARTICLE 2 PASSED OVER WITH THE CHANCE TO BE REVISITED LATER IN THE MEETING BY A VOICE VOTE.

S. MacCleery made a motion, which was seconded by J. Poirier to bring Article 3 to the floor. This was passed by a voice vote.

**Article 3:** TO SEE IF THE DISTRICT WILL VOTE OR RAISE AND APPROPRIATE UP TO THE SUM OF THIRTY THREE THOUSAND SEVEN HUNDRED AND NINETY SEVEN (\$33,797.00) DOLLARS (WHICH REPRESENTS THE AMOUNT RAISED BUT UNSPENT ON THE CLASSROOM ADDITION BUILDING PROJECT APPROVED AT THE MARCH 6, 1999 ANNUAL SCHOOL DISTRICT MEETING) TO BE ADDED TO THE CHICHESTER SCHOOL DISTRICT BUILDING PLANNING, RENOVATION, MAINTENANCE AND CONSTRUCTION TRUST FUND PREVIOUSLY ESTABLISHED. THE TRUST WAS ESTABLISHED FOR THE PURPOSES OF REPAIRING, RENOVATING AND MAINTAINING EXISTING SCHOOL BUILDINGS, CONSTRUCTING ADDITIONS, OR SUPPORTING FACILITY PLANNING AND DESIGN COSTS.

R. Mann explained that the School Board intended to put this amount of money in the fund to be used eventually to make repairs to the gym floor that would permanently solve the problems that have occurred in the floor. He further explained that this amount of money came from the amount of the bond that had not been spent and would not cause an increase to the budget. F. Lemay gave a further background on the various solutions and their costs that have been considered

throughout the years. B. Frangione stressed the point that this issue should be solved once and for all. N. Andrew made a motion to have the article passed as written; S. MacCleery seconded this motion. A vote was taken by a show of hands because of the amount of money involved.

ARTICLE 2 PASSES 46 FOR 0 AGAINST BY SHOW OF HANDS

L. Randall made a motion to bring Article 4 to the floor. It was seconded by T. Scott. This motion was passed by a voice vote.

**Article 4:** TO SEE WHAT SUM OF MONEY THE DISTRICT WILL RAISE AND APPROPRIATE FOR THE SUPPORT OF SCHOOLS, FOR THE PAYMENT OF SALARIES AND BENEFITS FOR SCHOOL DISTRICT OFFICIALS AND AGENTS AND FOR THE PAYMENT OF STATUTORY OBLIGATIONS OF THE DISTRICT, INCLUSIVE OF ALL FUNDS APPROPRIATED IN PREVIOUS ARTICLES ON THIS WARRANT.

R. Mann offered a quick overview of the increases in the budget. His main concern was that the meeting understand that most of the increases came from the non-discretionary appropriations that the School District had no control over. This was understood by the meeting. B. Guida brought a motion to the floor that the Foreign Language Program be expanded to a full-time position and thus taught at the lower grades also. P. Prescott seconded this motion. This motion would raise Account #1100-1199 on the MS-26 by nineteen thousand, two hundred seventy-five (\$19,275.00) dollars. This motion then involved raising line #1100-1199 to one million, four hundred fourteen thousand, one hundred seventy-one (\$1,414,171.00) dollars and the bottom line of MS-26 to two million, eight hundred ninety-five thousand, three hundred fifty-five (\$2,895,355.00) dollars.

MOTION PASSESS 34 FOR 5 AGAINST BY SHOW OF HANDS

S. MacCleery then asked that Article 4 be adopted as amended by the passed motion. N. Andrews seconded this motion.

ARTICLE 4 PASSED AS AMENDED (SCHOOL BUDGET FOR FISCAL YEAR, JULY 1, 2000 TO JUNE 30, 2001 TO BE TWO MILLION, EIGHT HUNDRED NINETY-FIVE THOUSAND, THREE HUNDRED FIFTY-FIVE (\$2,895,355.00) DOLLARS) 45 FOR 1 AGAINST BY SHOW OF HANDS

Article 5 was asked to be brought to the floor by S. MacCleery and T. Scott seconded this. This was passed by a voice vote.

**Article 5:** TO SEE IF THE DISTRICT VOTERS WISH TO PASS THE FOLLOWING RESOLUTION:

“WHEREAS THE CURRENT EDUCATIONAL TAX SYSTEM IS BOTH UNFAIR AND UNWORKABLE, THE PEOPLE OF CHICHESTER URGE THE STATE LEGISLATURE TO ENACT A SYSTEM OF TAXATION THAT FULLY MEETS THE STATE’S EDUCATIONAL OBLIGATION IN A SUSTAINABLE MANNER, WITHOUT RELIANCE ON A PROPERTY TAX.”

There was much discussion and initial opposition to this article based on the wording and its intent. There was concern that the wording implied property taxes were not to be used at all to fund education. G. Humphrey proposed this substitute resolution:

“WHEREAS THE UNCERTAINTY CREATED BY THE FAILURE OF THE GENERAL COURT TO ADDRESS THE ANTICIPATED DEFICITS IN THE EDUCATION TRUST FUND FOR YEARS AFTER FISCAL YEAR 2002 IS INTOLERABLE, THE CHICHESTER SCHOOL DISTRICT CALLS UPON THE GENERAL COURT TO CLARIFY SUCH MATTERS BEFORE ADJOURNMENT.”

After much discussion about this resolution and the pros and cons of whether this should be substituted for the original along with further questions about the language and intent, G. Palmer called the question. G. Humphrey motioned that the alternate article be adopted by the meeting. This was seconded by B. Guida.

MOTION PASSES TO ADOPT THE SUBSTITUTE ARTICLE  
35 FOR 5 AGAINST BY SHOW OF HANDS

D. Hall proposed that the substitute article be amended by attaching the original article to it. R. Mann seconded the motion. The motion was read to pass the resolution as follows:

“WHEREAS THE UNCERTAINTY CREATED BY THE FAILURE OF THE GENERAL COURT TO ADDRESS THE ANTICIPATED DEFICITS IN THE EDUCATION TRUST FUND FOR YEARS AFTER FISCAL YEAR 2002 IS INTOLERABLE, THE CHICHESTER SCHOOL DISTRICT CALLS UPON THE GENERAL COURT TO CLARIFY SUCH MATTERS BEFORE ADJOURNMENT. WHEREAS THE CURRENT EDUCATIONAL TAX SYSTEM IS BOTH UNFAIR AND UNWORKABLE, THE PEOPLE OF CHICHESTER URGE THE STATE LEGISLATURE TO ENACT A SYSTEM OF TAXATION THAT FULLY MEETS THE STATE’S EDUCATIONAL OBLIGATION IN A SUSTAINABLE MANNER, WITHOUT RELIANCE ON A PROPERTY TAX.”

AMENDED MOTION PASSES 32 FOR 15 AGAINST BY SHOW OF HANDS

S. MacCleery made a motion that Article 5 be adopted as amended. J. Poirier seconded the motion.

#### ARTICLE 5 AS AMENDED PASSES VOICE VOTE

S. MacCleery made a motion that Article 6 be voted on. P. Prescott seconded this motion. Motion passes by a voice vote.

**Article 6:** TO CHOOSE AGENTS AND COMMITTEES IN RELATION TO ANY SUBJECTS EMBRACED IN THE WARRANT.

A motion was made by J. West and seconded by H. MacCleery to pass over Article 6 until March 14, 2000 at 10:00 A.M.

#### MOTION CARRIES VOICE VOTE

S. MacCleery motioned to have Article 7 brought to the floor. J. Poirier seconded this motion. This passes with a voice vote.

**Article 7:** TO TRANSACT OTHER BUSINESS THAT MAY LEGALLY COME BEFORE SAID MEETING.

R. Mann was thanked for serving on the School Board. He then gave a short farewell speech. D. Chagnon wanted the parking situation at the school to be given further consideration by the Board, especially the lack of proper handicapped parking areas. H. MacCleery asked about the situation as far as having a well that provides a safe supply of drinking water. A motion was made by H. MacCleery and seconded by J. Poirier to adjourn this meeting at approximately 1:15 P.M.

#### MOTION CARRIES VOICE VOTE

March 14, 2000

The polls were opened at 10:00 A.M. by Town Moderator Doug Hall for the purpose of voting.

The polls were closed at 7:00 P.M. and ballots were counted with the following results:

SCHOOL BOARD	John Poirier	3 years
CLERK	Gloria Nardini	1 year
MODERATOR	Peter Marsh	1 year
TREASURER	Evelyn Pike	1 year

The Chichester School District meeting officially closed 9:00 P.M., March 14, 2000.

Respectfully submitted by,  
Gloria Nardini, Clerk  
Chichester School District

**REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

December 18, 2000

The School Board  
Chichester School District  
Chichester, New Hampshire 03234

I have audited the general purpose financial statements of the Chichester School District as of and for the year ended June 30, 2000, and have issued my report thereon dated December 18, 2000. I conducted my audit in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Chichester School District's financial statements are free of material misstatements, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of non-compliance.

Internal Control Over Financial Reporting

In planning and performing my audit, I obtained understanding of the Chichester School District's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one of more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over financial reporting and its operation that I consider to be material weaknesses.

This report is intended for the information of the Audit Committee, management, and federal awarding agencies, pass through entities. However this report is a matter of public record and its distribution is not limited.

I extend my thanks to the officials and employees of the Chichester School District for their assistance during the course of my audit.

Brent W. Washburn, CPA

## Appendix on Internal Controls

This is an Appendix to the December 18, 2000 Chichester School District report on internal controls and compliance based on an audit performed in accordance with Government Auditing Standards. The following are items that came to my attention during the audit regarding the design and operations of internal controls and compliance with laws, regulations, and other provisions of contracts and grants:

### 1. Inventory of Fixed Assets

Criteria: Inventory of fixed assets represents a significant control tool in monitoring the School District assets and is essential to prepare reliable financial statements.

Condition: The School District does not have a schedule of assets controlled by the School District. Schedules of assets purchased by federal grants has been maintained. The School District would need to implement the new reporting model for years beginning after June 15, 2003 as required by the Governmental Accounting and Financial Reporting Standards: Statement 34 – Basic Financial Statements and management's Discussion and Analysis for State and Local Governments. This new model requires fixed assets to be included although it would not require retroactive infrastructure reporting.

Cause: The normal practice of governmental units in New Hampshire has been to expense the fixed asset as purchase, and not to maintain any detail schedule of assets in use.

Recommendation: The District cause an inventory of these assets as soon as practical. The existence of fixed asset records will not only aid district officials in their control of these assets, but should be an invaluable tool in long range planning. General accepted accounting principles require fixed asset reporting as part of the general purpose financial statements and the audit opinion is being qualified due to the omission of this schedule.

Management Response: Fixed Asset Inventory completed in November, 2000.

### 2. Student Activities

Criteria: The School District has established policies for the student activity fund.

Condition: The student activities accounts are controlled by the principal. On occasions the student activities fund is used to pay regular bill of the school district, and a subsequent request for reimbursement is made of the School District's Treasurer.

Cause: The approach appears to be easier or faster than going through the internal control procedures established at the SAU to control disbursements.

Recommendation: The regular School District disbursements should be handled by the procedures established by the SAU, and only student activity disbursements go through the student activity fund. It is recognized that (on a very limited basis) an emergency may arise in which student activities funds might be used in such a manner. Procedures and approvals should be established for those instances.

Management Response: New procedure to be written, distributed and enforced.

Seated: John Poirier, Paul Twomey-chairman, Mary Castelli  
 Standing: Pamela Stiles-Principal Dave Dziura-Asst. Superintendent

## SCHOOL BOARD REPORT

Chichester Central remains a school on the move, with a great deal of progress in areas relating to curriculum reform, enrichment, professional development, and social skills. Over the past four years the Principal and the staff have been in the process of revamping the curriculum in all subject areas and creating comprehensive curriculum guides. Before this effort began, there was far too little coordination between the various teachers in regards to what was being taught at each level. As a result, it was not uncommon for students to cover the same subject matters year after year. Under the leadership of Pam Stiles, the staff reviewed what was being taught throughout the grades and then created a comprehensive curriculum guide for each subject and grade. A major effort has been made to integrate the studies so that, for example, when students are studying the history of Latin America, they are also being exposed to the music, art and literature of the region. These documents provide a wealth of information for parents concerning what the schools expectations are for both staff and children and are available at both the school and the town library.

One of the major efforts over the past few years has been to attempt to provide more opportunities for staff training and development. Perhaps our greatest asset at the school are the classroom teachers to whom we entrust our children. The administration and the Board have been successful in expanding the internal professional development opportunities and, thanks to the efforts of Pam Stiles (with major assists from citizens such as Gary Palmer), Chichester has been able to obtain two large Goals 2000 grants. Many of the innovative programs at the school came as a direct result of the teachers involvement in the training made possible by the grants.

Accountability is a concept in vogue today in political discussions of education. Chichester Central is far ahead of the curve in several respects. While most districts rely entirely on the state

assessment tests that are done in the 3<sup>rd</sup>, 6<sup>th</sup>, and 10<sup>th</sup> grades, we have started to test every student every year with the Iowa tests. As we build a data base over the years, we hope to use the information generated to identify strengths and weaknesses in our program. Along with this expanded testing, the staff has started a program of having a individual student plan for every student, much like the plans which other districts afford only to students with special needs. The hope is that these plans, which are now in three grades, will expand to the entire school one grade at a time so that there is a continuing document that assesses the progress of each student available to the parents and staff.

The social environment at the school remains outstanding. I have been told by teachers outside of the district that Chichester is a place where teachers want to go to because of the nurturing and positive environment. The interaction between the teachers and the children, between the young kids and the older ones, and between the staff and the administration is unfailingly positive. Chichester Central remains a place where all of the children feel wanted and comfortable. This wonderful social environment is enhanced by such programs as the Peer Mediation (where student mediators help to solve problems between other students in a positive manner), the Band program, the School Store, the Student Council, the Math/Reading buddies programs (where older kids help tutor younger students), the Drama Club, the Spanish program, and the Lego robot competition— all programs started under the leadership of Pam Stiles, and all programs in which the teachers have gone the extra mile and more to provide a varied and vibrant social environment for our children.

In spite of all the work and progress of the past few years, many challenges remain. Our statewide test results have improved every year and are above average; however there is still room for a great deal of improvement in many areas, as we are not near to reaching our potential as a community.

Pembroke Academy, under the leadership of Principal John Graziano and curriculum director Mike Reardon, has made a complete turn around— going from a school that was failing miserably to perhaps the most exciting and innovative high school in the state. As long as the current administration remains in place, we can expect great things in the future from the Academy. Structurally, our relationship with the Academy remains unsatisfactory— Pembroke still resists giving the sending schools any real say in the education of our high school students. Chichester's Board took the lead in an initiative to provide voting seats for each of the sending districts, and this will be on this years ballot. Whatever the outcome, we must strive to create a stronger voice for Chichester in our high school-- both we and the school will be better for it.

The District voted by one vote four years ago to reject a plan to build enough classrooms for two rooms per grade. This unwise vote has continued to haunt us, as building in town continues at a rate none of us have ever seen. The School Board urged the selectmen and planning boards to put into place a viable growth ordinance; unfortunately, the horse had escaped before the barn door was closed. We will have to rent a portable classroom next year— a waste of valuable tax money. The Board has constituted a building resources committee to make recommendations for the following year. It is likely that the committee and the Board will recommend something much like the plan suggested and rejected four years ago. Unfortunately, the price tag will be significantly higher—hopefully we will make a wiser decision the next time. Those who do not learn from the past are condemned to repeat it.

## SUPERINTENDENT OF SCHOOLS REPORT

Education is a topic of great importance to almost everyone. The media covers its successes, failures and funding woes assiduously. Political candidates cite it as a major plank in their campaign platforms. Education is at the heart of our achievements and our future as a society; it has a profound impact on our daily lives from early childhood through our retirement years.

Recently University of New Hampshire Professor Thomas Newkirk wrote an article regarding the commonly expressed belief that our schools are in an “educational recession.” With his permission, I would like to share Professor Newkirk’s thoughts with you. I found his perspectives to be both interesting and thought-provoking and hope you do as well.

Professor Newkirk feels that two myths permeate the debate on public education. The first is that we are in educational decline. The second is that even if we aren’t in decline, demands of the 21st century will be dramatically higher and our schools are not ready to meet those demands.

It is, of course, tempting to look back to an educational Golden Age – invariably the years each of us was in school – and then trace a downward line to the present. Yet the most reliable records of national achievement show that students’ reading and writing ability has remained remarkably constant for the general population with modest improvements for minority students. In mathematics, a special area of concern for many, students have posted small but steady increases over the past decade.

Even opinion polls suggest that the dissatisfaction with schools may be more illusory than it seems. When the general population is asked to evaluate U.S. schools with a grade, only 19% gave an A or B. When the same group was asked to rate their own school system, 44% gave top grades. Yet when parents of children in school were asked to rate the schools their children attended, 72% gave top grades. So while there may be a generalized dissatisfaction about American schooling, communities and parents for the most part view their own local schools positively.

The second debate states that, even if there is no real basis for claiming an actual decline in educational attainment, critics feel the current standard of achievement is inadequate for the demands of jobs in the 21st century. Without dramatic increases in literacy levels, we won’t have enough qualified workers for the more complex jobs being created and our economy will suffer. Yet again evidence suggests otherwise. Recently the National Educational Testing Service Published a study entitled *What Jobs Require*. The study concludes that “averaging all occupations, the literacy requirements in 1986, 1996, and 2006 were and are projected to be successfully addressed. The increases in literacy demands since 1940 have been more than offset by higher graduation rates and increasing enrollments in post-secondary education.” The report concludes there is no crisis in literacy preparation.

In the early 1980’s the United States Department of Education published the report *A Nation At Risk* which warned of a “rising tide of mediocrity” which would undermine the economic vitality of the country. Schools were blamed for what the report called “an act of unthinking, unilateral, educational disarmament.” These have turned out to be poor and inaccurate predictions. The students who

attended those “mediocre” schools are in the workforce now posting productivity gains that are the envy of the industrial world. Schools sometimes receive blame during economic downturns, but with the resurgence of the economy, they usually do not receive credit.

Professor Newkirk certainly does not mean to make the case for complacency. There is serious work to be done to close the societal, racial and economic achievement gap, to recruit and prepare a new generation of teachers in response to the looming shortage, and to move all students beyond a basic level of achievement. There are still too many students unprepared for advanced education and the job market. However, these problems demand patient, thoughtful local action which must involve – not simply blame – educators. While we need “distance runners,” undistractable and in for the long haul, a crisis mentality only breeds “sprinters,” seeking quick but unsustainable fixes. We will make little progress if we persist in denying the factual record that most public schools are succeeding and improving while continuing to create the myth of crisis.

Respectfully submitted,

Thomas Haley  
Superintendent of Schools

## PRINCIPAL'S REPORT

The first day of school was enjoyed by 262 students and 44 staff members. New to our school community were Tara Towle, 4<sup>th</sup> grade teacher, Cheryl Konopka, Speech and Language Specialist, Crystal Young, educational assistant, and Lou St. Pierre, custodian. Our thoughts were with Sandi Swinerton, Al Bickford, Chris Clark and Conrad Walters as they embarked on new endeavors.

The school has a new Language Arts curriculum that is aligned with the NH Frameworks. Our goals, which are being supported in part by a 21-month \$49,500 grant, are to raise the level of ability in writing, to strengthen spelling, and deepen critical analysis. The new spelling program, used in grades 1-8, integrates learning from many areas. Unified Arts (art, music, physical education, guidance, health) now has a Board approved curriculum which should strengthen and guide those areas of specialty.

Our students in grades 2-5 are directed by an individual student plan. Their progress is measured quarterly on the report card. Along with class work, teachers also use the state test or the Iowa Test of Basic Skills to assess academic benchmarks. Those students who are in need of after school assistance can take advantage of the Homework Club. Our NHEIAP scores continue to rise, but we are always looking for ways to improve student learning: Twelve teachers are involved in the second year of the on-site UNH course focusing on reading and writing; all of the math teachers worked with Karen Gingrich, the gifted and talented coordinator from Belmont; and John Brogan from the Society for Developmental Education has spent time with us discussing the writing process. And, of course, teachers have been perusing off-site workshops as the needs of their class and their own professional needs are identified.

This year the enrichment committee has offered quality assemblies and experiences for the student body. Our guest presenters tie their topics to the curriculum that is being taught. This year we have had: Santos Hawks Blood (a native American), the Boston Museum of Science, Hampstead Players, Rick Charette, Stories and Stuff (NH history), the Chichester Fire Department, and Lou Barker (on his very interesting experiences in the Peace Corp). Teachers and staff encourage students to take part in the geography and spelling bees, poetry night, young authors, reading week, drama, FIRST lego league, and all of the diversified programs that tap student interest.

Chichester is rich with people willing to give time to the school. The fourth grade spent some time with Paul Adams, learning about the use of energy. Mark Thomas shared his knowledge and love of orienteering with our older students. Community leaders came in and read with classes during the Reading Week in March. Members of the Police and Fire Departments worked with the school to create a Disaster Response Plan and discussed ways that we could more effectively teach students to “just say no” to drugs. Pat Upham facilitated the school receiving the 3<sup>rd</sup> place prize in Cash Back for schools. The CCS PTO hosted a back to school bar-b-que, a sledding party, playground clean up, the Book Fair, and “WRITE” night. Due to the large number of hours that volunteers dedicated to the school, CCS was awarded the Blue Ribbon Award from the NH Partners in Education. To all of the parents who serve on committees and coach sports—Thank you.

Technology is now integrated into all subject areas. Students have the ability to work individually or in groups using the computer clusters. Technology also assists us with parent communication. Teachers post homework assignments on homeworknow.com where parents can access information and also e-mail teachers. Of course, there is always the “old fashioned” method of communication—

students can write to other students using our WEE deliver postal service, a school/community partnership with the US Post Office.

The Spanish program is now in full swing. Seniors Ferguson is working to integrate her program into the existing curriculum at the lower levels while offering intense pre-high school instruction to the older students. Our goal is to make it possible for the in-going freshmen to the Academy to test out of year one Spanish and begin with Year 2.

As our school population continues to grow, we look at facility needs. Music shares the multi-purpose room with the physical education program, the gym floor continues to bubble, there is moisture under the library and science lab, but not enough potable water. Our need for full-sized classrooms, offices, and storage space continues.

We move our students' forward to the year 2001 and beyond. The new school motto (Thank you Chelsea Conner!), "*Learning Today for Our Tomorrow*" truly captures what we do from day-to-day. Whether learning how to vote in the NH Mock election, studying the environment in science, or being involved in a community project to serve those in need helps to build well-rounded, caring adults. The 50<sup>th</sup> birthday party for CCS reunited many friends from the past. We continue to cultivate a strong sense of community in our students while encouraging them to dream of things not yet created. Here's to the next 50 years!

Respectfully submitted,  
Pamela Stiles, Principal  
Chichester Central School

## CHICHESTER STUDENTS ATTENDING PEMBROKE ACADEMY

As of October 1, 2000

### Grade 9

Andrews, Jillian  
Berube, Chrystal  
Boudreau, Marc  
Briggs, Meghan  
Campbell, Vanessa  
Chapman, Shannon  
Clark, Ian  
Coburn, Tiffany

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF CHICHESTER,  
QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Chichester Central School in said District on the 10th day of March, 2001 at 10:00 o'clock in the morning to act upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.

2. To see if the School District shall accept the provisions of RSA 195-A (as amended) providing for the renewal of an A.R.E.A. school located in Pembroke to serve students in grades 9-12 from the school districts of Allenstown, Chichester and Epsom. in accordance with the provisions of the plan on file with the district clerk and contingent upon the approval of the State Board of Education.

[Note - This article asks whether voters wish to modify the existing A.R.E.A. Agreement with Pembroke Academy. The most significant change would affect governance of the Academy by providing that "all decisions relating to the curriculum, governance, staffing and operation of Pembroke Academy shall be made by a majority vote of a committee of eight members, consisting of five members of the Pembroke School Board and one member of each sending district. This committee will be responsible for preparing a proposed annual budget for submission to the Municipal Budget Committee of Pembroke, or to such other body as the citizens of Pembroke may delegate final authority on budgetary matters." Other changes nullify the exclusion of certain Epsom students and bring the Agreement into compliance with current statute.

*Majority ballot vote required*

3. To see if the District will vote to approve the cost items set forth in the collective bargaining agreement reached between the Chichester School Board and the Chichester Education Association for the 2001/02, 2002/03 and 2003/04 fiscal years which calls for the following increase in salaries and benefits:

2001/02	\$64,047
2002/03	\$53,287
2003/04	\$51,737

and further to raise and appropriate the sum of \$64,047 for the 2001/02 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits agreed to by the Chichester School Board and the Chichester Educational Association.

*School Board recommends approval*

4. To see if the District will vote to raise and appropriate from surplus, the sum of up to forty-seven thousand (\$47,000.00) dollars to be transferred from the Municipal General Fund and to be added to the Chichester School District Building Planning, Renovation, Maintenance and Construction Trust Fund previously established. The trust was established for the purposes of repairing, renovating and maintaining existing school buildings, constructing additions, or supporting facility planning and design costs.

[Note – Funding for this Article is contingent upon the action of voters on the Warrant Article at the March 17, 2001 Chichester Town Meeting pertaining to the dispersion of funds due in part to the school district following the Marden Farm development project, and upon the town's receipt of other development impact fees during fiscal year 2000.]

*School Board recommends approval*

5 To see if the District will vote to raise and appropriate up to forty-one thousand (\$41,000) dollars for the purpose of replacing the floor in the Chichester Central School Multipurpose room.

*School Board recommends approval*

6. To see if the District will vote to create an expendable general trust fund under the provisions of RSA 198:20-c, to be known as the Technology Replacement Trust Fund, for the purpose of replacing unusable and/or outdated technology equipment and software in the District's schools and further to raise and appropriate from surplus and to authorize the use/transfer of up to three thousand eight hundred (\$3,800.00) from the June 30, 2001 fund balance for this purpose, and to designate the school board as agents to expend.

*School Board recommends approval*

7. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents and for the payment of statutory obligations of the District, inclusive of all funds appropriated in previous articles on this Warrant.

*School Board recommends approval*

8. To choose Agents and Committees in relation to any subjects embraced in the Warrant.

9. To transact other business that may legally come before said meeting.

Given under our hands and seal this \_\_\_th day of February, 2001.

Paul Twomey, Chair  
Mary Castelli  
John Poirier  
CHICHESTER SCHOOL BOARD

CHICHESTER SCHOOL DISTRICT WARRANT

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF CHICHESTER,  
QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Grange Hall in said District on the 13th day of March, 2001 at 10:00 in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.

The polls are to open at 10:00 A.M. and will close not earlier than 7:00 P.M.

All other School District business to be conducted at the regular School District meeting as otherwise posted.

Given under our hands at said Chichester this 16th day of February, 2000.

Paul Twomey, Chair  
Mary Castelli  
John Poirier  
CHICHESTER SCHOOL DISTRICT

# CHICHESTER SCHOOL DISTRICT

## SUMMARY REPORT SPECIAL EDUCATION EXPENDITURES/REVENUES

In accordance with RSA 32:11-a, the following summary represents actual special education expenditures and offsetting revenues for the previous two fiscal years.

	<u>FY 1998/99</u>	<u>FY 1999/00</u>
Actual Expenditures	\$294,706	\$364,488
Actual Revenues		
♦ Catastrophic Aid	\$ 15,698	\$ 10,497
♦ Medicaid	15,750	19,745
♦ Federal Grant	<u>15,501</u>	<u>18,934</u>
Total Offsetting Revenues	\$ 46,949	\$ 49,176

- Notes:
- Actual expenditures represent a total of all designated special education budget categories. Services provided through regular education categories cannot be accurately segregated.
  - State Foundation Aid/Adequate Education Aid paid in both fiscal years above contained various weighted stipends for those students identified as having special needs. These cannot be accurately identified as a separate revenue category.
